---

### **:Summary Profile**

peer-revived articles and reviews in Persian 45

peer-revived articles in English 7

Coference articles in Persian 6

ordered articles in Persian 15

translations into Persian 10

research projects 11

MA supervision (/advisory service) 15

Workshops (teaching) 75

lectures in information science 16

scholarly panels membership 18

editorial memberships 17

### **Education**

Islamic Azad University, Science and Research ,PhD in Library and Information Science  
Branch, Tehran, Iran

The feasibility of the indexing and visibility of Dublin core metadata Initiative, **:Thesis Title**  
MARCXML, and Metadata Object Description Schema's element tag names by General  
Supervisor: Dr. Najla Hariri, Co- .Search Engines and representing some appropriate patterns  
.supervisors: Prof. Rahmatolla Fattahi and Dr. Fatemeh Nooshinfard

Islamic Azad University, Science and Research ,MA in Library and Information Science  
Branch, Tehran, Iran

A comparative study on the indexing quality and ranking of the content **:Dissertation Title**  
objects including the MARC 21 and Dublin Core's metadata elements by general search  
Supervisor: Dr. Najla Hariri, Co-Supervisors: Prof. Rahmatolla Fattahi and Dr. .engines  
.Rank student of LIS department Fatameh Nooshinfard. 1<sup>st</sup>

Islamic Azad University, Hamadan Branch, .BA in Library and Information Science  
.rank among university students Hamadan, Iran. 1<sup>st</sup>

Islamic Azad University, Qom ,Advanced Diploma in Library and Information Science  
University, Qom, Iran; The 2nd rank among students of LIS department

## Publications

### Peer-reviewed articles in (English)
